Tonmuy Ahmmed Sifath

MERN-STACK SPECIALIST

tonmoysifatmd@gmail.com, 01757416917

OBJECTIVE

Detail-oriented Full-Stack Web Developer (MERN) with expertise in React.js and a solid foundation in back-end technologies including Express, Node.js, and MongoDB. Proficient in modern JavaScript ES6, and CSS frameworks like Tailwind CSS and Bootstrap, and experienced in CMS platforms such as HubSpot and WordPress. Skilled in Firebase for real-time database management and deployment. Passionate about creating responsive, user-friendly web applications that deliver exceptional user experiences.

SKILLS

- **Backend Technologies:** React, Pug, EJS, **Vanilla JS**, Bootstrap, Tailwind CSS
- **Backend Technologies:** Node.js, Express.js
- **Database:** MongoDB, Firebase
- **Programming Languages:** Python, JavaScript
- **Software:** Microsoft Office suite
- **Version Control:** Git
- **Soft Skills:** Communication, Teamwork, Problem-solving, Time Management

EXPERIENCE

Full-Stack Web Developer
- Developed responsive and interactive web applications using React.js, ensuring high performance and usability.
- Collaborated closely with UI/UX designers to implement pixel-perfect designs and intuitive user interfaces.
- Integrated back-end APIs and services with React components for seamless data exchange.
- Utilized Tailwind CSS and Bootstrap for efficient styling and layout management.
- Optimized website performance and load times through code optimization and performance tuning.
- Implemented content management solutions using HubSpot CMS and WordPress to manage website content and assets.

Freelance Web Developer
- Designed and developed custom WordPress themes and plugins to meet client requirements.
- Utilized Firebase for real-time database management and user authentication in web applications.
- Collaborated with clients to understand their needs and deliver tailored solutions within deadlines.

EDUCATION

Bachelor of Science in Electrical and Electronics Engineering
Bangladesh University, Bangladesh
(Expected Graduation: [July,2024])
